Matthew 6:33**

The character we display in our lives is something Scripture encourages us to give attention to. It directs our lives and helps to make us into people who honor God by honoring others around us. It is something that comes only as we give thought and consideration to it. In short we need to work at it and then practice it. This summer we will look at several character qualities as seen in the lives of Bible greats and endeavor to implement them into our own lives.

**“It is the mission of Portland Christian Schools to educate students in the truth of God’s Word in every area of instruction and activity so their lives will be transformed by the renewing of their minds.”**
